The City of Kingman reserves the right to accept the lowest, responsible bid; to consider alternatives; to reject any or all bids; and to waive irregularities of information in any bid. Bids received after the specified time of closing will be returned unopened. The City of Kingman also reserves the right to hold any or all bids for a period of thirty (30) days after the date of opening. Bidders will not be allowed to withdraw submitted bids during the thirty (30) day period. The winning bidder will be contacted via the submitted approved contact method and receive, by certified US Mail, a "Winning Bid Notice" prepared and dated in the company name. Failure to respond in the time frames outlined could result in a new "Winning Bidder" being selected.

### **Invoice and Payment**

Upon completion of the project, staff will review the scope of work and inspect the project site to ensure completion in a professional, appropriate manner and that all items have been addressed. The completed ADEQ Notification form shall be submitted to the City before or at the time of invoice. This is required on this project. Appropriate code compliance will also be verified. Final approval from the City must be verified prior to payment. Upon completion and approval of all work and clean up during the site inspection, contractor must submit an invoice for payment. Only after all work and clean up issues have been resolved, will staff approve the invoice for payment. Invoices with charges in an amount other than the original contracted amount, shall include the written change order previously approved by COK staff to be considered. Payments will be mailed, unless otherwise indicated. For Invoices to be considered for payment the following documents shall be submitted before or at the time the invoice is submitted:

- a) Detailed Invoice for the work completed

### ***Submitted invoices will be paid within 30 days.***

Proposals will be submitted with the understanding that the total cost of the demolition project will be paid at the completion of construction and inspection of the project. Partial construction payments may be requested and will be considered for projects that exceed \$20,000. Partial payment requests must be identified at the time bid proposals are submitted. No "start-up" payments will be issued.

### **Change Orders**

If during construction, elements are found on the job that were not included as part of the original bid proposal, staff will ask for an estimate to be submitted as a change order for the job. Contractor must discuss the change of work with staff prior to commencing on any further construction. If appropriate, staff may approve a written change order to increase the scope of work and the cost of the project. Changes to increase the scope of work and cost of project will be submitted in writing as a change order in the same format as the original proposal. Additional costs will be added to the project cost and paid at the time all work is completed.
